QUALITY EXPERIENCE

Our on-staff concierge is available 24/7 to serve as an open line of communication between patients, families and members of our team. We are committed to enhancing your quality of life and assuring your satisfaction at all times.

GOOD FOOD is an integral part of a positive recovery experience.

At Allaire, we offer a gourmet dining experience in our expansive and elegant dining room, with bistro style dining 5 days a week. Together with our in-house dietitian, our chef prepares delicious and nutritious food to accommodate all diets, food restrictions and the most discriminating palate.

Multicultural dining options are available including Kosher, Indian & Russian.

Our THERAPEUTIC
RECREATION
PROGRAM
engages our patients
on many levels.

We offer a rich calendar of stimulating activities, trips and events that foster physical and emotional wellbeing. Whether it's an outing to Blueclaws Stadium, dining out in a local restaurant, enjoying a movie in our in-house cinema, or gardening in our patio – we offer plenty of opportunities for socialization and relaxation.

Our Assistive Technology Computer and Communication
Center is a feature truly unique to Allaire.

Predicated on the motto that “abilities are never limited by disabilities”, our Center’s computerized assistive technologies enable residents with certain physical and cognitive limitations, to do almost anything with a computer. The staff works with each patient to fully maximize their computer experience.
